How to return EPUB eBooks early

1. Open the **Adobe Digital Editions** program on your computer.
2. In the upper left corner, select the **Library View icon** which looks like three books.
3. Below, under the **Bookshelves** heading, select **Borrowed**.
4. **Click the eBook** you want to return.
5. Click the **Item Options arrow** (in the upper left corner of the selected eBook).
6. Select **Return Borrowed Item**. Selecting **Delete Item** will *not* return the item, but selecting **Return Borrowed Item** will both delete *and* return the item.
7. Click **Return** to verify that you want to return the title.
That's all it takes! The eBook is returned to the library collection for others to enjoy and you've opened up a download slot in your OverDrive account.
